Update

Thank you all for your the November scores.

So here are the first month's results. Congratulations to the individuals who are on the leader board- good scores to go for.

As always, if you have spotted any errors or have any queries or comments please let me know.

Can I ask everyone to send the result in the Excel format of the form I sent you. If you have a problem let me know (Do not convert to .pdf)

Please remember to send your scores to your opponents too. You don't need to send them to everyone in your League or Division.

Can I remind you to submit scores even when you have a 'Bye'. If you do not shoot, submit a score sheet with DNS rather than leave it blank.

Also remember only Middlesex archers can take part. If you have an associate from another county they cannot be included in your team.

Please remember that the highest scoring juniors, Male & Female, of each category will get medals, so encourage your juniors to submit their scores.

As the next Newsletter will be in January 2020, can I wish you a Happy Christmas and a successful New Year.
