So the league was ended early, the final results are based on the four match scores that were submitted.

For the same reasons the march scores that were submitted have not been included on the individual leader board.

We hope to still have the award giving later in the year, but at present no date has been set for obvious reasons.

Well done to all the winners.

Mark Shore.

### Final Update

Due to the Corona Virus outbreak not all clubs were able to shoot the March match, as this was completely out of their control the decision was made that they should not be disadvantaged by it.
